

Christmas Blair Kitko Biography

My name is Christmas Blair Kitko and I would like to be considered for Holley By the Sea Board of Directors. I am a 29 year old military wife and mother of a four-year old boy. I am invested in my family and want the best for them. This is just one of the many reasons I want to run. I have been around the neighborhood and love living here. In the year we have lived here, we have experienced the best and worst aspects of this neighborhood, from the Halloween activities at the Rec Center to having our house vandalized. I use the gym, pool, and Tae Kwon Do. I take the classes offered. I do, however, see a baseball field with a ton of potential, but it is grown over. I see weight equipment that is not being kept up, and I see a drop-off childcare program that does not work for 80% of the parents that live here. I want to get my hands dirty and I know I can make things better. What makes me qualified? I have a BA in Theatre and English. This gives me unique abilities to add to our youth program and add to what we already do to make it better. I am also a Florida certified educator. I know kids and I have three years of daycare experience with the military. I am also a black belt in Tae Kwon Do myself and have some wonderful ideas on how to improve our youth and sports programs. I think our drop off program in the morning should be more flexible about the times offered and people should be about to sign up ahead of time. I believe in community and doing life together. I feel this is what God intends life to be. I am here to serve and I want to do anything I can to help bring that back to reality. I have the talents and the drive to bring to the table to absolutely make that happen. I hope you will consider me. Thank you for your time.
